

## **REQUEST FOR PROPOSAL (RFP) FOR ELEVATOR SERVICE AND MAINTENANCE**

### **Notice of RFP Cancellation**

**July 12, 2019**

---

Dear Proposers,

In the course of reviewing our needs and planning for the improvements contemplated in the Request for Proposal for Elevator Service and Maintenance (“RFP”), Alameda Health System (“AHS”) has determined that additional refinements in the required scope are required to ensure an optimal outcome. Thus, it is necessary at this time to cancel the RFP to provide sufficient time to clarify and finalize the necessary modifications for your assessment later this year.

We wish to thank you for having expressed interest in the RFP and appreciate the time and effort invested in preparing your proposals thus far. We will contact you once we have completed the necessary scope revisions and are ready to proceed with next steps.

Thank you for your continued interest in doing business with Alameda Health System.

Sincerely
