History

Hospitalists since 1995, AIM was founded in 2006 by a group of Physicians from the retired group OCP. It is Physician owned and run. Governance is a 7 member board of directors with a Quality Committee and quarterly Operations meetings. Trained in Internal Medicine, 9 of the 15 core Physicians did their Residencies at Highland Hospital and all are Initial Board Certified with ABIM or NBPAS. Focus of practice has been on Acute hospitalization and Post-Acute care with a propensity for inpatient Psychiatric services. Physicians are in leadership roles such as Chief of Staff, MEC Members, Committee Chairs, Staff Education and Program Initiatives. They are a diverse mix of Asians, Caucasians and African-American with over 80+ years of combined Hospitalist experience.
