

BLOOD DRAW STATION SCHEDULES

Highland
Hospital

Outpatient: 0730-1700, Monday - Friday, excluding holidays

- **Highland Care Pavilion, 4th floor; telephone (510) 437-6432; Fax (510) 437-5197**

Inpatient: 0600, 1100, 1600 and 2100 daily (including weekends and holidays)

STAT requests: Phlebotomists will *not* draw STAT requests.

"Timed" phlebotomy (e.g., peak and trough drug levels): Phlebotomists will only draw peak & trough drug levels if the timed request coincides with the routine drawing schedule.

Cutoff times for receipt of phlebotomy orders: Orders for 0600 draw must be received by 0530.

Orders for all other draws must be received in the laboratory before the specified draw time or they will be rescheduled for the next regular same day phlebotomy round.

Phlebotomy service is located at Fairmont Hospital, B Building, ground floor
