Our People Our Culture

Human Resources Lorna Jones, CHRO

Introduction to Just Culture

Just Culture refers to a values-supportive model of shared accountability that drives continuous improvement

It's a culture that holds organizations accountable for the systems they design and for how they respond to behaviors fairly and justly

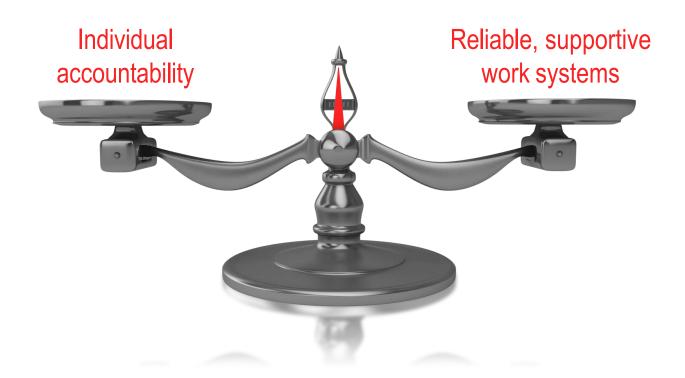

trust
fairness
accountability
Just Culture
transparency
justice
safety

Just Culture holds individuals accountable for the quality of their choices within a framework that considers *human capacity, human fallibility*, and *demands improvement, not perfection*.

The Just Culture Company, 2019

Just Culture: The Big Idea

Just Culture Simplified

Human Error

Unintended conduct:
where the actor
should have done
other than what they
did

At-Risk Behavior

A choice where risk is not recognized, or is mistakenly believed to be justified

Coach

Reckless

Conscious disregard of a substantial and unjustifiable risk of harm

Discipline

Knowledge

Knowingly causing harm (sometimes justified)

Purpose

A purpose to cause harm (never justified)

Accept

Anticipated Outcomes

	Core Elements	Sub Elements
Highly Reliable Organization	Structure Commitment to resilience Preoccupation with failure	Mission Vision Leadership
	Accountability Deference to expertise Sensitive to operations	Responsibilities Ownership Clear Processes
	Safety Culture Reluctance to simplify Preoccupation with failure	Communication Transparency Open culture Stimulation safety culture

AHS believes in a consistent, fair, systematic approach to managing behaviors that facilitate a culture that balances a non-punitive learning environment with the equally important need to hold persons accountable for their actions.

Ongoing support by our BETA partners with monthly webinars for ongoing learning
