

Join us for bilingual tours of the Family Birth Center (FBC) at the Wilma Chan Highland Hospital Campus. We are proud of the care we provide and invite you to learn about our dedicated labor & delivery and postpartum units.

Please meet in the FBC waiting room, located at the entrance to the unit on the 4th floor of the Highland Acute Care Tower.

English and Spanish tours will be led by one of the midwives from our team. We welcome questions about the FBC and the services we provide.
