<p>Complex Care Program</p> <p>Wilma Chan Highland Hospital 1411 E. 31st St Oakland, CA 94602</p>	<p>Reduction of Highland Hospital's Complex Care Program. This reimbursable enhanced care management program provides care management services. The populations of focus served by this program is comprised of substance use disorder, serious mental health conditions, patients experiencing homelessness, and avoidable hospital utilization. Currently, program social workers support interdisciplinary teams in care plan development and provide behavioral health assessments, counseling, and clinical case management in service of meaningful linkage to appropriate long term care and service. Patients needing care for mental health are referred out to varying locations based on severity.</p> <p>Following the reduction, patients will no longer receive individual assessment and management by social workers. All other aspects of the program, including clinical case management and referrals, will continue.</p>	<p>This program serves 300 patients annually. Patients may be referred to programs earlier in the Complex Care Program process which may increase wait times. Below is the referral model that will continue following the reduction.</p> <p>Referral Model</p> <ul style="list-style-type: none"> •Mild to Moderate: AHS Integrated Behavioral Health and Alameda Alliance •Moderate to Severe: Alameda County BH for medication management, specialty mental health and case management 	<p>Behavioral Health Support</p> <ul style="list-style-type: none"> - Patients can access behavioral health support by calling ACCESS at 1-800-491-9099.
