The Board of Trustees is the Policy Body of the Alameda Health System. The Board has several standing Committees where Board matters are the subject of discussion at which members of the public are urged to testify. Board procedures do not permit: 1) persons in the audience at a Committee meeting to vocally express support or opposition to statements by Board Members or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) signs to be brought into the meeting or displayed in the room; 4) standing in the meeting room. Citizens are encouraged to testify at Committee meetings and to write letters to the Clerk of the Board or to its members, 1411 East 31st Street Oakland, CA 94602.

Members of the public are advised that all Board and Committee proceedings are recorded (audio), including comments and statements by the public in the course of the meetings. Copies of the audio recordings will be made available to the public. Copies of the agendas and supporting documents can be found here: <http://www.alamedahealthsystem.org/meeting-agendas-and-minutes/>. By attending and participating in Board/Committee meetings, members of the public consent to audio recording of any statements they may make during the proceedings.

Disability Access

To request accommodation or assistance to participate in the meeting please contact the Clerk of the Board. Requests made at least 48 hours in advance of the meeting will help to ensure availability.

In order to accommodate persons with severe allergies, environmental illness, multiple chemical sensitivity or related disabilities, attendees at public meetings are reminded that other attendees may be sensitive to perfumes and various other chemical-based scented products. Please help us to accommodate these individuals.
