

## Become an advisor today. Revolutionize health care for all!

Join the Patient & Family Advisory  
Council (PFAC)

**Be the voice:** Advocate for patients and families, like yours to ensure your needs are heard.

**Share your unique experience:** Diverse feedback helps improve outcomes for all.

**Make an impact:** Shape processes and practices with health care professionals.

**Apply now!** Scan the QR code  
or call 510-410-8568

Are you...

**a patient?** Share your health care journey and perspective.

**a family member?**  
Advocate for your loved ones and support others in their health care journey.

What you'll do...

- Partner with us to improve processes, safety, quality, and patient experience.
- Expand your health care and process improvement knowledge.
- Work with Alameda Health System to create positive change.
- Share unique insights to improve health care services.
